Useful information when filling in the form

This application only applies if you have already left state employment. You can also apply for defined-benefit retirement pension on Dina pensionssidor at spv.se. Submit your application three months before you want to receive your payment. We cannot pay out retroactively.

Notify your account number

We pay the occupational pensions via Swedbank. Notify your account at swedbank.se/kontoregister or on the form *Notification of account number for pensions*, which you can find at spv.se.

I am applying to draw my define-benefit retirement pension	

4. Fill in if you want to draw your defined-benefit retirement pension before your 65th birthday

Select one of the following three alternatives

I am applying to draw my defined-benefit retirement pension		from year, month
a	<input type="checkbox"/> with the same amount every month and for life	from year, month
b	<input type="checkbox"/> with the highest allowed amount* every month up until the month of my 65th birthday	from year, month
	SEK per month	from year, month
c	<input type="checkbox"/> with another amount* up until the month of my 65th birthday	

* This means that the payment ceases at the age of 65 or that it continues at a lower amount after the age of 65 and for life. You should receive a forecast to enable you to choose between the alternatives. Contact our Customer Service line on +46 60 18 74 00 for more information.

5. Fill in if you have selected alternatives b or c under point 4

You only need to fill in here if you are going to draw other parts of your occupational pension. This can affect the payment of your defined-benefit retirement pension. Only fill in amounts that you draw for a limited period.
