

Send the form to:
Statens tjänstepensionsverk, SPV
851 90 Sundsvall
Sweden

Useful information when filling in the form

You can also apply for defined-benefit retirement pension on Your pension pages at spv.se. Submit your application three months before you want to receive your payment. You will receive your defined-benefit retirement pension from the month of your 65th birthday and for life.

Notify your account number

We pay the occupational pensions via Swedbank. Notify your account at www.swedbank.se/kontoregister or on the form *Notification of account number for pensions*, which you can find at spv.se.

1. Personal details
